

## Course Title      Using the AppStore

### Learning Objectives

This course is designed for users who want to go beyond the basics of Trados Studio and take their translation environment to the next level. This module focuses on **Using the AppStore**. Key topics are:

- About the AppStore
- Using the AppStore from Studio
  - Browsing the AppStore
    - Filtering for category
    - Free and paid apps
  - Installing a specific app
    - Searching for the app
    - Installing the app
    - Using the app
  - Updating apps
  - Installing and using an external app
    - Installing Glossary Converter
    - Using the Glossary Converter

### Target Audience:

This course is for:

- translators who already have some experience using Trados Studio and want to improve their knowledge of the above topic

### Prerequisites:

Basic understanding of Trados Studio and of topics covered in the Studio Level 1 course.

### Course Delivery Mode:

This course is available in the following delivery modes:

- instructor-led, onsite course; incorporates hands-on time for participants to practice during the onsite training session
- instructor-led, virtual (online) course; no hands-on during the online training session

### Course Duration:

This module takes approximately:

- 1 hour during an onsite course
- 30 minutes during an online course

**Trados Certification:** This course provides some of the knowledge attendees need to pass the Trados Studio Level 2 exam.

The Trados™ Certification program enables individual translators and project managers to validate their knowledge and expertise in the use of Trados products. Achieving Trados Certification demonstrates that you are fully prepared to work with the world's leading translation technology.

Certification in the Trados Studio product can be achieved by taking the following web-based exam:

- Trados Studio – Level 1
- Trados Studio – Level 2
- Trados Studio – Level 3

The exam questions are based on the topics covered in the “Trados Studio – Level 2” modules. Attendance on these courses followed by practical work to experience the topics covered will prepare attendees to take the exam.

The exam consists of 45 questions and lasts 45 minutes. To take the exam, attendees log into their RWS Account and select the **Education** area, where the exams and corresponding training manuals and sample files can be found.

Attendees are advised immediately on completion of the exam whether they have passed or need to retake it. Attendees have up to three attempts to pass the exam. On successful completion, they receive a link to a digital certificate showing that they have passed.

**Further Development:** Attendees should consider attending the following Intermediate courses:

- Working with Neural Machine Translation
- Aligning Files
- Terminology Verification and Quality Assurance
- Translation Memory Maintenance
- Reviewing Translations
- Working with Cloud-based resources
- Fine-tuning Project Settings
- PerfectMatch
- Working with Project Packages
- Segment Fragments

**Further Information:** For further information on any of our courses, training delivery options, course dates and fees, and the Trados Certification programme, please contact us at [producttraining@rws.com](mailto:producttraining@rws.com).

### About RWS

RWS Holdings plc is a unique, world-leading provider of technology-enabled language, content and intellectual property services. Through content transformation and multilingual data analysis, our unique combination of technology and cultural expertise helps our clients to grow by ensuring they are understood anywhere, in any language.

Our purpose is unlocking global understanding. By combining cultural understanding, client understanding and technical understanding, our services and technology assist our clients to acquire and retain customers, deliver engaging user experiences, maintain compliance and gain actionable insights into their data and content.
